## **Kingdee Presented the 2017 Most Valuable TMT Stock Award at Golden Hong Kong Stock Awards Presentation Ceremony**

(19 January 2018, Hong Kong) **Kingdee International Software Group Company Limited** (“Kingdee” or the “Company”, stock code: 00268.HK), a leading enterprise Cloud services provider, is pleased to announce that the Company was presented the Most Valuable TMT Stock Award at the Summit on New Values of Hong Kong Stocks and the Presentation Ceremony for 2017 Hong Kong Golden Stock Awards held in Shenzhen. Kingdee has received various international awards, which clearly demonstrate that the Company’s development strategy and investment values are highly recognized in the market.

The Summit on New Values of Hong Kong Stocks and the 2017 Hong Kong Golden Stock Awards were co-hosted by Zhitong Caijing, the leading Hong Kong stocks information platform in China, and Tonghuashun, the leading Chinese online financial information services provider. The event was co-organized by Xueqiu and sponsored by the Stock Exchange of Hong Kong and the Chinese Securities Association of Hong Kong. Members of judgement panel for the selection of winners of various awards came from nine major Chinese securities houses, including ICBC International, BOCOM International, Huatai Financial Holdings. They rated the candidates according to their financial results, rankings in respective industries, corporate governance, business models, market influences and stock performance over the past year. Afterwards, the public voted on them and the winners were picked based on both results.

The Most Valuable TMT Stock Award is aimed at recognizing the fastest-growing TMT stocks listed in Hong Kong which are highly regarded by capital market and have enormous growth potential. The presentation of this award to Kingdee showcases that the market players and investors attach great importance to TMT sector. Moreover, it is a great inspiration and driving force to Kingdee. Kingdee will remain committed to providing quality services to customers and creating more investment values for investors.

The presentation of this award to Kingdee clearly reflects that its development strategy has been fully recognized by the market. Kingdee is establishing itself as a preeminent domestic Cloud services provider with one of the fastest growth rates in the industry. Kingdee provides a comprehensive line of enterprise Cloud services, the Company is a partner of various world-class enterprises, including Huawei, Tencent, Haier, Coca-Cola and HBIS New Material, in the digital enterprise era. According to IDC, Kingdee Cloud has overtaken its international peers to become China’s largest enterprise SaaS provider in terms of market share.

~The End~

## **About Kingdee**

Kingdee International Software Group Company Limited ("Kingdee International" or "Kingdee") was established in 1993. It is listed on the Main Board of the Hong Kong Stock Exchange (stock code: 268.HK) and headquartered in Shenzhen, the PRC. Adhering to the core values of "Acting in all Conscience, with Integrity and Righteousness", the Company is committed to serving enterprises and strives to provide them with the most trustworthy services platform.

As a leading enterprise Cloud services provider in China, Kingdee International has commanded the largest share in the ERP sector for fast-growing enterprises for 13 consecutive years and grasped the biggest share in enterprise-grade SaaS Cloud services industry. Its Cloud services and products are the most preferred choices in the market. They include Kingdee Cloud (Cloud management services for medium and large-sized enterprises), Kingdee Jingdou Cloud (one-stop Cloud services platform for micro and small-sized enterprises) and Guanyi Cloud (Cloud services for E-commerce operators). With its strengths in management software and Cloud services, it provides services and products to more than 6.8 million enterprises, government agencies and other organizations around the world.
