Kingdee and Kingsoft Join Hands to Develop Highly Efficient Enterprise Instant Messaging Service

(20 July 2015, Hong Kong)　Kingdee International Software Group Company Limited ("Kingdee" or "the Company", Stock Code: 00268.HK) is pleased to announce that the Company and Kingsoft Corporation Limited ("Kingsoft') have furthered their cooperation in launching the Kingdee Cloud Hub enterprise instant messaging services on Kingsoft WPS Office products, with the aim of providing users with the most secure and highly efficient enterprise communication and filing solutions.

In March 2015, Kingdee and Kingsoft announced the establishment of a long-term strategic partnership. The WPS enterprise instant messaging service is the joint efforts of the parties. It is also one of the key elements in the "WPS+ one-stop Cloud" enterprise product strategy. The enterprise instant messaging allows the user to enjoy integrated business contacts, secure and permanent document storage and other services, as well as instant messaging and sharing service. It not only protects the privacy of communications but also enhances the operation efficiency.

Kingdee is full of confidence for the partnership established with Kingsoft. Mr. XU Shaochun, Chairman and CEO of Kingdee, said, "Both Kingdee and Kingsoft are the industry leaders in their respective fields and there are enormous potentials for the collaboration. We will continue to open up respective resources to each other and work together in a complete new model in the fields of Mobile Cloud services, Cloud storage, Cloud security and allied fields, with the aim of creating and developing a complete eco-friendly Cloud office architecture."

Kingdee Cloud Hub is a leading brand of Chinese enterprise mobile office with more than 200,000 enterprise users at the end of 2014. Kingsoft WPS Office offers multi-platform and cross platform one-stop service communication terminal solutions. The number of mobile users has exceeded 85 million.
