## **Kingdee and Guosen Securities Jointly Set Up RMB1 Billion Fund**

(14 September 2015, Hong Kong) Kingdee International Software Group Company Limited (“Kingdee” or “the Group”, Stock Code: 00268.HK), a leading Enterprise Internet service provider in China, is pleased to announce that the Group has signed an agreement with Guosen Securities Co., Ltd. (Stock Code: 002736.SZ). The two parties will jointly set up a mobile internet industry investment fund of up to RMB1 billion to support the growth of enterprise Internet in China. The two parties will leverage each other’s strengths, resources, channel network and expertise in their respective industries and work closely to develop the fund.

According to Mr. YANG Jian, Executive Director and CFO of Kingdee, the fund management company will manage up to RMB 1 billion in fund size to boost the development of enterprise Cloud computing, Internet finance and Big Data for mobile Internet companies with solid potential.

Mr. YANG Jian added that Kingdee has been a distinguished leader in the enterprise-class Internet industry in recent years. After the partnerships established with industrial giants including JD.com, Amazon, Kingsoft and Taiji, Kingdee established the partnership with Guosen, which is expected to significantly boost the growth of Kingdee’s Cloud business. Going forward, Kingdee will mobilize additional capital resources to build an enterprise-class Internet ecosystem and best support the Internet transformation and upgrading of Chinese enterprises.
